COPY OF PAPERS  
ORIGINALLY FILED

**RESPONSE TO OFFICE ACTION**

Dear Sir:

This paper is in response to the Office Action mailed on 24 April 2002 for the above-referenced patent application. Please enter the remarks below.

**I. Status of the Claims**

Claims 1-14 are pending in the application. Claims 1, 3, 4, 5, and 10-14 are rejected under 102(b). Claims 2, 6, and 9 are rejected under 103(a). Because claims 7 and 8 were not rejected, Applicant assumes that these claims are allowable.<sup>1</sup> Applicant respectfully requests reconsideration of the claims in view of the arguments presented here.

**II. Claims 1, 3, 5 and 10-14 are not Anticipated by Gillery**

Claims 1, 3, 5, and 10-14 are rejected under 102(b) as being anticipated by Gillery (US 4,948,677). Applicant respectfully traverses the rejection.

<sup>1</sup> The undersigned requests a phone call from Examiner McNeil if this assumption is incorrect.
